PROCUREMENT OF WORKS FOR CONSTRUCTION OF FENCE AT THE RADIANA SITE (R-Project 4A-2)

This Invitation for Tenders follows the General Procurement Notice for this project which was published in Procurement Opportunities, 7161-GPN-17149 dated 9 August 2013.

State Enterprise Radioactive Waste (SERAW), hereinafter referred to as “the Employer”, intends using part of the proceeds of a grant from the Kozloduy International Decommissioning Support Fund (KIDSF), administered by the European Bank for Reconstruction and Development (the Bank) towards the cost of the Procurement of Works for Construction of Fence at the Radiana Site (R-Project 4A-2).

The project is being managed by State Enterprise Radioactive Waste, 6th floor 52 A G.M. Dimitrov Blvd, 1797 Sofia, Republic of Bulgaria and all questions regarding this tender should be directed to Mr Dilyan Petrov, Executive Director as noted at the end of this Invitation for Tenders.

The Employer now invites sealed tenders from contractors for the following contract to be funded from part of the proceeds of the grant:

Supply and installation of a perimeter fence around the Radiana site (National Disposal Facility site) including but not limited to - procurement, delivery, temporary site establishment, site clearance, excavation, concrete works, preparation of a fire protection strip and fence installation with access gates.

Design of the fence around the proposed Radiana site has been prepared within a separate project and the Works are to be implemented in accordance with this design.

Tendering for contracts to be financed with the proceeds of a grant from the Bank is open to firms from eligible countries as of 1 November 2013, which are: EU Member States, Switzerland and the EBRD's countries of operation. All goods and services shall also have their origin from eligible countries.

To be qualified for the award of a contract, tenderers must satisfy the following minimum criteria:

- Eligibility - as above;
- General experience – The Tenderer shall demonstrate that it has successful experience as prime contractor in the execution of at least 3 (three) projects of a similar size and complexity comparable to the proposed contract within the last 5 (five) years and with activity in at least nine (9) months in each year;
- 1. Particular experience – Participation as contractor or management contractor in at least 3 (three) civil engineering contracts within the last 5 (five) years, each with a value similar to the proposed Works, that have been successfully and substantially completed;
- Average Annual Turnover - The Tenderer shall have an average annual turnover as prime contractor (defined as billing for works in progress and completed) over the last 5 (five) years of not less than €1,350,000.00 (one million three hundred and fifty thousand Euro) or equivalent;
- Financial Resources - The Tenderer shall demonstrate that it has access to, or has available, liquid assets, unencumbered real assets, lines of credit, and other financial means sufficient to meet the construction cash flow for the contract for a period of 4 (four) months, estimated as not less than €600,000.00 (six hundred thousand Euro) or equivalent, taking into account the applicant's commitments for other contracts;

- Litigation - A consistent history of historical non-performance and/or litigation awards against the Tenderer or any partner of a joint venture may result in rejection of the tender.

Tender documents may be obtained at the Employer's Mailing address listed below, upon submission of a written formal demand and a copy of payment of a non-refundable fee of €100.00 (one hundred Euros) in cash or by bank transfer to the following bank account:
